## Built-in Electric Cassettes

Design with fire,  
not limitations.

Picture the perfect fireplace:  
any length, any location, and  
any number of sides. Forget  
about venting, gas lines and  
hot glass, because they are a  
thing of the past.

Now imagine flames made of  
water that you can reach out  
and touch. The revolutionary  
Opti-myst by Dimplex  
reinvents the electric fireplace  
and makes it easier than ever  
to add a dramatic fire feature  
to any space.

See-through, three-sided,  
open concept, the possibilities  
are endless, so go ahead,  
play with fire.

Nero Fire Designs

## Specialty Features

### Crackling Sound Effects

Enjoy a more complete sensory experience with  
the sound of natural wood fire.

### Customization

Multiple 20" (50.8 cm) and 40" (101.8 cm)  
cassettes can be combined in series to achieve  
the desired length for dramatic linear installations  
impossible to achieve with gas fires.

### Sight and Sound Remote

Control the flames and crackling sound effects at  
the touch of a button.

### Continuous Water Supply

Optional plumbed water supply kit provides  
continuous operation without refilling water tanks.

## Features

### Opti-myst® Flame Effect

Revolutionary ultrasonic technology produces a fine mist to create the illusion of flames and smoke.

### All-day Flames

Fill the water tank with tap water and enjoy up to 8 hours of flames or use the plumbing kit for continuous water supply.

### Adjustable Flame

Control the desired volume of flame to suit your mood.

### Media Options

Includes flat plate that can be customized with contemporary media (not included). Optional inner glow logs also available.

### Frame, Wire and Finish

Basic installation requires fewer tradespeople, no gas lines, venting or chimney.

### Heat-free Operation

Designed with the sole purpose of providing a stunning visual flame feature.

### Energy Efficient

Uses low-energy LED lights for low-cost operation.

### Reduces Liability

Ideal for public spaces in commercial installations; meets the strictest building codes.
